

## Dasque and Middle Creek Hydroelectric

20 km Southwest of Terrace, BC

---

### PROJECT OVERVIEW

KTC Industrial Projects completed both the Dasque and Middle Creek Powerhouse Buildings 20 km Southwest of Terrace, BC. The location of these projects made it a challenging project for everyone. At KTC Industrial Projects we love tackling challenges and the end result was just what our client wanted / needed for their use. This project was completed under budget and ahead of schedule.

CLIENT – Swift Power L.P.
